Rich,
 10 am works for me. Would you like for me to just call your cell, or do you need me to set up a conference call in number. Not sure if Rupert and/or Kelley wants to participate in the call and if they will be at the Site or not.
 Thanks,

Rich,
 I have the SAP drafted, but I still have a couple questions remaining. I'd like to give you a call tomorrow morning to discuss, but I wanted to check to see if there was a specific time which works better for you.
 Thanks,

Subject: Proposal for resampling at Dimock

As a follow-up to yesterday afternoon's conference call with Mathy and others, attached is the R3 proposal for resampling homes at Dimock. Please contact OSC Rich Fetzer at (215) 341-6307 with questions.

Please note we have begun to develop a sampling plan based on this proposal and will make adjustments to that plan as it is drafted based on your input to this proposal. We hope to have a sampling plan to the EU for review next week so we can begin resampling sometime the week of 5/7/12. Thanks, dennis.
